Nov. 28 - Dec. 2, 2005
Dec. 27 - 30, 2005
Jan. 23 - Jan. 27, 2006

Dear Resident,

Starting Monday, October 17, the City of Burlington will begin fall/winter leaf collection. To serve residents efficiently, we have divided the City into four sections and established leaf collection schedules for each. Collection crews will follow these routes from October 17, 2005, through January 27, 2006. We encourage you to use this "loose leaf" collection service to reduce the need for costly landfill disposal. During this time, call-in service will not be available.

The map is divided into four sections and the leaf collection schedule for each. Using the landmarks and streets given, you should be able to find the section in which your residence is located.

You may obtain additional schedules in the Municipal Building located at 425 South Lexington Avenue, or call the Public Works Department at 222-5005 to request that a schedule be mailed to you.

Schedules will also be published in the *Times News*.

Questions concerning leaf collection should be directed to the Cemetery Division at 222-5077 or 222-5078. Please do not call to request special pick up. Crews will work set areas on the designated schedules only.

Thank you for your cooperation.

Cemetery Division
Public Works Department

City of Burlington Loose Leaf Collection Guidelines

Loose leaves should be piled behind the curb or on the shoulder of streets without curbs and/or gutters by 7:00 a.m. on the Monday of the week collection is scheduled for your section.

Please do not pile leaves in the street, in drainage ditches, or over water meters.

Leaves which contain gravel, limbs, glass, or other solid matter will not be collected.

Should you desire more frequent leaf collection, you may place leaves in suitable containers and place them out with regular yard waste.

Do not mix limbs with leaves. It will **NOT** be picked up.

*The City of Burlington is happy to
provide fall/winter loose leaf
collection service to our residents.
We appreciate your cooperation.*
